WHAT WE PROMISED

The NSW Government’s 2019 Budget is getting the job done by:

- Locking in our strong economy by keeping the NSW Budget strong and in surplus. $802 million budget surplus to secure NSW’s economic future.
- Taking the pressure off families by delivering before and after school care. Introducing a new Opal card weekly fare cap to ease the cost of living. $93 billion total infrastructure investment.
- Fixing our transport system by investing $55 billion to deliver new roads and rail. Fixing congestion on local roads. $17.4 billion investment to deliver new and upgraded schools and hospitals.
- Investing more than ever in health with another 40 new and upgraded local hospitals. Recruiting an extra 8,300 doctors, nurses and health professionals. $310 billion value of assets owned by the NSW Government.
- Supporting our schools and teachers by hiring 4,600 new teachers. Delivering 190 new and upgraded schools. $302 million investment in local cycle lanes.

- drought relief for regional NSW. $1.8 billion drought relief for regional NSW.

$2.3 million for new lifts and accessibility upgrades at Roseville Station.
$3.5 million for a new Commuter Car Park and a Kiss and Ride Zone at Lindfield Station.
$100,000 for bike spaces at Gordon Station.
$33.1 million to local schools:
$9.6 million for Killara High
$5 million for Lindfield Learning Village
Nearly $18.5 million for St Ives North Public.
$168,000 investment in local cycle lanes.
$10,000 for kerb ramps at the Highfield Road and Pacific Highway intersection in Lindfield.
